May 17, 2025

Dear Community Member,

This letter is to introduce a member of the 2025 West Pasco Dixie All Star team. West Pasco Girls FastPitch Softball Association was composed of 18 teams this season, which included girls ranging from 4-19 years of age.

Our All Star teams will be participating in Dixie Softball Tournaments in June and July. This year's Dixie State Tournament will be held in Belleview, Florida and will last from 3-5 days. The teams who then advance to the Dixie World Series will travel to Louisiana and play anywhere from 3-7 days. As you can imagine this will be a very costly undertaking due to the cost of uniforms, insurance, transportation, lodging and meals. This is where you come in.

- **Silver Sponsorship** - \$250 donation will include your company name and logo on our travel shirts and our travel banner.
- **Gold Sponsorship** - \$500 donation will include everything above, plus a personalized banner that will hang at our field throughout the 2025 spring season.
- **Platinum Sponsorship** - \$1000 donation will include everything above, plus a team plaque and picture, a personalized travel shirt, and a vendor spot at our 2025 opening day ceremony.

Thank you in advance for your support of the girls in our community. This is an investment whose return will reach far into our community's future.

Sincerely,

James A. Garland II

James (Jim) A. Garland II

President

West Pasco Girls Fast-Pitch Softball Association
